Do that by making a sales web page for the new guide, but don't embrace a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is exactly the similar on

every page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum worth is.
