If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new e book, however don't embrace a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is strictly the similar on each page,

and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum price is.

Ultimately, should you've written a e-book that solves a downside or presents a brand new technique, your guide will usher in both site visitors and profits.
