Do this by making a sales web page for the new guide, however do not embrace a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is precisely the similar on every page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.

Finally, in the event you've written a book that solves a problem or presents a new approach, your e-book will herald both site visitors and profits.
