After you figure out your goal, it's essential to determine what your viewers's want is on your ebook. For example, does your guide solve a particular problem? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you will be in a position to obtain excessive gross sales at a excessive price. If your guide solves a problem or answers questions in a new and distinctive approach, you need to value your guide as excessive as you can go. You'll achieve larger earnings this manner, however usher in fewer customers. Simply make sure that the query or drawback that your book solves is one which is vital and related to the vast majority of your market audience.
