Begin at the highest worth the market will bear to usher in the largest profits, and plan to low cost the e book a number of times throughout the year.

and promotional materials, and each time anybody asks you about your ebook.

Do that by creating a sales page for the brand new e-book, but don't embrace a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Make sure that your gross sales copy is strictly the identical on every web page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum worth is.
