Another strategy is to test out costs by creating a number of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

In the end, if you happen to've written a book that solves a downside or presents a brand new technique, your e book will bring in both site visitors and profits.
