An efficient method for figuring out a value is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new ebook, however do not include a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with different costs on each page. Make sure that your gross sales copy is precisely the identical on each web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum price is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new technique, your e-book will herald both site visitors and profits.
