excessive gross sales at a high price. In case your e-book solves an issue or answers questions in a new and unique method, you should worth your e-book as excessive as you possibly can go. If you want to see large profits over customer draw, goal for an audience that's on the lookout for easy solutions to their issues at a low price. In case your guide is geared toward fixing one explicit downside moderately than normal advice, then you possibly can cost more. Begin at the highest worth the market will bear to bring in the largest earnings, and plan to discount the e-book a variety of times throughout the year.
