If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the brand new book, however do not embody a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with

different prices on each page. Make certain your gross sales copy is strictly the identical on every page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

In the end, in case you've written a book that solves a downside or presents a new technique, your guide will bring in both site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your ebook solves and what the benefits of your 1926 e book will be to the purchasers who buy it.
