An effective technique for determining a worth is to ship out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new ebook, however do not include a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is precisely the identical

on every web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum value is.

Ultimately, in the event you've written a ebook that solves a downside or presents a new technique, your e book will bring in each visitors and profits. So remember to write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 2006 guide shall be to the customers who purchase it.
