An efficient technique for determining a value is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this

by creating a sales web page for the brand new book, but don't include a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with completely different costs on every page. Be certain that your sales copy is exactly the same on each page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.
