As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with different prices on each page. Be sure your sales copy is exactly the same on every web page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum worth is.

Finally, for those who've written a book that solves a problem or presents a new method, your guide will usher in both site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 2099 ebook shall be to the purchasers who purchase it.
