piece of sales and promotional materials, and every time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are several other methods that can allow you to sell more books.

One is to provide something away without cost with your ebook, resembling a beneficial bonus item. Or bundle a number of ebooks beneath one value, which lowers the worth for each ebook if they have been bought separately.

An efficient method for determining a worth is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a sales web page for the brand new e-book, however don't embrace a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure that your gross sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum worth is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new approach, your e-book will herald both traffic and profits.
