on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is precisely the same on every page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum price is.

Finally, when you've written a guide that solves a problem or presents a new technique, your e book will herald both traffic and profits. So you'll want to write that promoting-handle sentence that sums up what downside your e-book solves and what the advantages of your 2298 e book might be to the customers who purchase it.
