An effective technique for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the new book, but do not embody a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with different costs on each page. Ensure that your sales copy is precisely the same on each page, and contains

your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum worth is.
