Do this by making a gross sales web page for the brand new e book, but do not include a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Make sure your sales copy is strictly the identical on

each web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a guide that solves a downside or presents a new method, your e book will herald each site visitors and profits.
