An efficient method for figuring out a value is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new book, however do not embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different prices on each page. Ensure that your gross sales copy is strictly the identical on each page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, if you happen to've written a e-book that solves a problem or presents a brand new method, your e-book will herald each visitors and profits.
