An effective approach for determining a worth is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new ebook, however do not embrace a

worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is exactly the identical on every web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum price is.

Finally, for those who've written a ebook that solves a downside or presents a new method, your guide will herald both visitors and profits. So be sure you write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 2686 book will likely be to the shoppers who buy it.
