As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with different prices on every page. Be certain your sales copy is strictly the same on every page, and includes

your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum value is.

Finally, in the event you've written a guide that solves a drawback or presents a brand new approach, your ebook will usher in both visitors and profits.
