Do that by creating a gross sales page for the new e-book, but don't include a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure your sales copy is strictly the same on every web

page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum value is.

Ultimately, in case you've written a book that solves a downside or presents a brand new technique, your guide will usher in both visitors and profits.
