An effective method for figuring out a worth is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new book, but do not embrace a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with totally different prices on every page. Make certain your gross sales copy is exactly the identical on every

page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

In the end, when you've written a ebook that solves a problem or presents a new method, your e-book will usher in both site visitors and profits.
