However, if your guide accommodates worthwhile ? and extra importantly NEW information, references, or strategies ? then it is best to aim to price it on the high end.

After you figure out your objective, you have to figure out what your audience's need is to your ebook. For instance, does your e book resolve a particular downside? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you can be in a position to

achieve high sales at a excessive price. In case your guide solves a problem or answers questions in a new and distinctive approach, you need to value your guide as high as you can go. Start on the highest worth the market will bear to herald the largest earnings, and plan to low cost the guide a variety of occasions all through the year.
