price. Do that by making a gross sales web page for the brand new book, however do not include a price on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Make sure your gross sales copy is strictly the similar on every web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.

Finally, when you've written a guide that solves a downside or presents a brand new technique, your e book will herald both traffic and profits.
