price. Do that by creating a gross sales web page for the new e book, but do not include a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different prices on each page. Make sure that your sales copy is exactly the same on each web page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum price is.
