An effective method for determining a worth is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the brand new e-book, but don't embody a price on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure your gross sales copy is exactly the similar on every page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.
