An efficient technique for figuring out a value is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do this by creating a sales page for the brand new e-book, but do not embody a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on every page. Be sure that your gross sales copy is exactly the identical on every page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum worth is.
