It is priced on elements such as paper inventory, design and manufacturing costs, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the flexibility to vary, or possibly remodel, people's lives.

What do you suppose an thought is worth when evaluated against the price of paper and ink?

If you wish to see large income over customer draw, purpose for an viewers that is on the lookout for straightforward solutions to their problems at a low price. If your guide is aimed toward solving one explicit problem reasonably than basic advice, then you possibly can cost more. Start on the highest worth the market will bear to herald the largest income, and plan to discount the e-book a number of occasions throughout the year.
