After you figure out your purpose, you could determine what your audience's need is on your ebook. For instance, does your guide clear up a specific drawback? If it does, and solves it in a approach that hasn't been written about in 100 other ebooks, you can be able to obtain excessive gross sales at a high price. In case your e book solves an issue or answers questions in a new and distinctive method, you must worth your e book as high as you may go. Begin on the highest value the market will bear to bring in the largest earnings, and plan to discount the guide a number of times all through the year.
