Do that by making a sales web page for the new ebook, but don't include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with different prices on each page. Be certain your gross sales copy is strictly the identical on each

web page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum worth is.
