The key that unlocks the sales potential of your ebook is to find a single sentence that turns into your promoting handle. Moreover promoting your books assiduously online, there are several different methods that can show you how to sell extra books.

One is to present one thing away at no cost with your guide, similar to a invaluable bonus item. Or bundle several ebooks under one price, which lowers the value for each book if they have been bought separately.

An efficient method for determining a value is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the brand new ebook, but don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with different prices on each page. Be certain that your sales copy is precisely the identical on each web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.

Finally, when you've written a e-book that solves a downside or presents a brand new technique, your
